## OUR SERVICES

# International Higher School of Medicine- ELITE Campus (ISSYK-KUL)

Founded in 1993, the International Higher School of Medicine is the pinnacle of medical education. IHSM ISSYK-KUL, an IHSM regional campus, was inaugurated in 2017. The campus has the ability to promote medical and information technology, and IHSM has formed alliances with local medical groups to organize the educational process efficiently.

The Issyk-kul regional campus was developed on the basis of the requirements of Indian students. The Campus is Located in 32 acres which includes Hostels for Boys and Girls, Classrooms, Mess, and the studies for the first three years will be held in the Regional Campus Issyk-kul. The first three years of studies will be held at the Regional Campus Issyk-kul. The final two years of studies will be completed in Karakolas IHSM administration undertaken in 2022 at the 500-bed Karakol Government Hospital for clinical training of students.

Issyk-Kul Vedanta clinic and a clinical simulation centre in Cholpanata Govt. Hospital provides proper medical care to the Issyk-Kul region's residents.

The students' internship will be held at Bishkek Vedanta, and we have partnerships with 17 medical centers. The university ensures that academic mobility initiatives for medical students and teachers throughout the Central Asian area are widely implemented.

**Dr. Surendra Choudhary**

***Dear Aspirant,** Medicine is a great endeavor and we'd like to acknowledge each one of you for having chosen to be in this noble profession. Also, it gives me great pride to declare, that since its inception was all started from scratch in 2012, today we have been able to carve a niche for ourselves in the global panorama. Our alumni are showing their dedication to this profession by either working at reputed hospitals across the world or by specializing further in their fields of a medical study. Along with looking after academic, and curricular needs, the institute also coaches students for the MCI screening test from the 1st year of MBBS. We'd like to invite you to take this magnanimous leap towards a bright future in medicine.*
